Reasons for Allowance

1. Claims 63-66 and 68-71 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In addition to the teachings of the claims 63, 70, and 71 as a whole, the closest prior art of record failed to teach or suggest,

“ a display control section for controlling display, in a display unit, so that a user may confirm whether or not reproduction of the one or more images is to be performed, the display unit displaying thumbnail images corresponding to the images stored in the detachable memory, wherein the displayed thumbnail images include at least one indicium to distinguish between images that have been designated by the reproduction instruction file for reproduction and images that have not been designated by the reproduction instruction file for reproduction; and

an operation section for starting the reproduction in accordance with input from a user and for performing the reproduction of the one or more images to be reproduced after confirmation by the user that the one or more images specified by the reproduction instruction file and which display the at least one indicium are to be reproduced, wherein, in the confirmation, the one or more thumbnail images are reproduced as image data to be displayed “

Therefore, claims 64-66 and 68-69 are allowable for depending on claims 63, 70, and 71.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Other Prior Art Cited

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

U.S. Patent No. 5784149 to Kawaoka discloses image processing for films.

U.S. Patent No. 6867879 to Sasaki et al disclose image printing.
